

COVID-19 Protocols at

Please call or text office when you arrive. You will be contacted when office is ready to receive you.

905-898-3333

Only patients with scheduled appointments (or 1 parent with child) may enter office.

You **MUST** wear a mask to enter the office

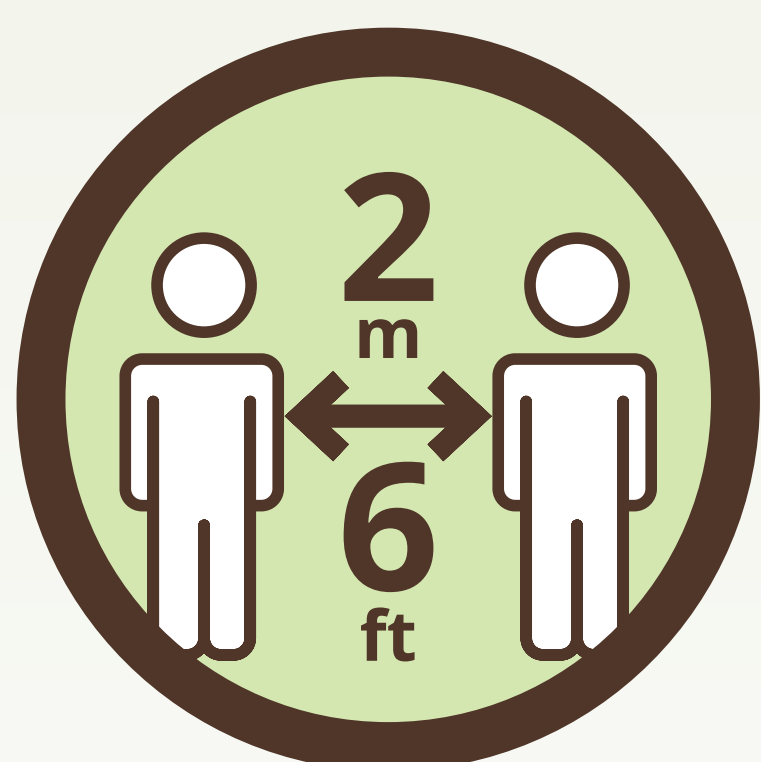

Please use hand sanitizer when you enter/leave the office

We will be asking COVID-19 screening questions when you enter the office

We will be taking your temperature and asking you to use a pre appointment rinse.

Please maintain physical distancing of 6 feet whilst in office.

Please reschedule appointment if anyone in your household has been ill in the last 2 weeks.

For your safety, the office no longer has books, magazines and toys.

While we always strive to stay on time for appointments, unforeseen delays may occur due to enhanced disinfection between patients and ensuring physical distancing is maintained as patients move throughout the office.

Thank you in advance for your understanding!
